Hi! We're NPACE.

NPACE is an ANCC-accredited 501(c)(3) nonprofit and leader in evidence-based CME/CE for advanced practice providers. In a rapidly changing healthcare environment, NPACE promotes excellence in patient care by providing high quality, evidence-based, unique educational programs to advanced practice providers. Since 2024, we also offer PA Category 1 CME through AAPA to continue to supporting excellence in patient care and APP practice.

We make earning CE/CME easy with accessible formats for every learning style.
