NPACE BY THE NUMBERS

We had a very successful experience—connecting with numerous leads, engaging and educating providers, and building relationships with key stakeholders across the state.

– Mia | Alkermes

CONTENT DESIGNED AROUND APP NEEDS

Based on annual needs assessment survey

“Thank you for all your work in making this program successful for all parties! We really appreciate the partnership on this program!”

– Tricia | Eli Lilly

REACH YOUR TARGET AUDIENCE

Since 1980, we've offered relevant, evidence-based, and stimulating continuing education in a dynamic learning environment. We welcome the opportunity to work expand their APP reach.

EXHIBITOR FAQs

1. What do I receive with my exhibitor registration? Is lead retrieval included?

- i. Badges for up to 4 staff members to attend
- ii. One 6' table (unless you've selected the two table Friends of NPACE option)
- iii. Two Chairs
- iv. Waste removal for empty boxes cartons
- v. Carpeting – All exhibits take place in ballrooms or ballroom foyers in carpeted areas!
- vi. Free WiFi
- vii. Lead Retrieval – Lead retrieval is available with pricing as follows:
 1. \$500 – Initial license
 2. \$250 – Additional license(s)
 3. Lead retrieval is conducted through the NPACE onsite event app that can be downloaded directly to your device of choice (CVENT lead capture.) Companies purchasing lead retrieval will receive access information 1-2 weeks prior to the event start date.

2. When will I receive conference information?

Roughly 2 months out from the conference, the NPACE team will begin to send pertinent conference information such as hotel details, exhibit hall schedules, badge registration information, and more.

3. Do I need to order any furniture for my exhibit booth? Is electrical included?

- a. NO! Everything is included for you to arrive onsite at a NPACE event and set up your exhibit booth without having to go through any 3rd party ordering site for exhibit furniture
- b. Electrical access is venue dependent, occasionally exhibitors will need to order electrical outlets for their booth directly with the venue. The pre-conference logistics email will alert you to electrical access for each individual event.

4. How does shipping/receiving work?

Each individual venue NPACE works with has different shipping and receiving protocols. More often than not, the onsite venue FedEx/UPS or business center will handle all shipping & receiving needs and will deliver your items directly to your exhibit booth. Shipping contacts and processes for each venue will be provided ~2 months ahead of the conference. Any costs associated with shipping and receiving will be handled between you and the venue shipping contacts.

5. How do I know my booth # or where my booth is? What do I do when I arrive onsite?

- a. NPACE exhibit halls typically have 30-50 table top exhibits and will assign booth numbers to companies based on the type of exhibit booth they registered for and when they registered for the event. If you want the best location, the Friends of NPACE booth is worth it!
- b. Upon arrival at the venue, visit the NPACE registration desk to receive your conference badge. NPACE staff will show you to your booth when you arrive onsite.

6. When is payment due? How does NPACE accept payment?

Payment is due 30-days prior to the event start date and can be received by credit card, check or ACH wire transfer. Credit card payments over \$5,000 will incur a 3% credit card processing fee.

7. What happens if I can't be onsite for the entire event?

No problem at all! You are allowed to swap out reps for your booth throughout the duration of the event to ensure your booth is adequately staffed.

8. Food & Beverage

NPACE provides breakfast and coffee breaks to exhibitors on the exhibit days at each event. Lunch is not provided unless specified onsite by NPACE staff at each individual event.

9. Room Blocks/Hotel Rooms

NPACE has room blocks at each venue available for exhibitors to take advantage of. It is highly encouraged to book your hotel rooms as soon as you register to exhibit as NPACE room blocks typically sell out at each event. If there is a charge for parking onsite, the exhibitor will be responsible for the parking fees incurred.

IN-PERSON SPONSORSHIP

Sponsorship items available for individual conferences. Pricing listed is per conference.

Meal Sponsorship/Reception	\$20,000	Device Charging Station	\$4,000

Product Theaters at NPACE are the optimal way to get in front of our conference audience. Our staff is here throughout the entire process to ensure the program is executed seamlessly.

PRODUCT THEATER FAQs

1. Why should my company choose NPACE for product theaters?

NPACE prides itself on providing the most seamless product theater experience in the industry. With a hands-on approach and the goal of making the program as easy as possible on the sponsor, we ensure you work with the same team of people from the beginning of the process through the day of the program, and post-program. Our team will ensure all needs for your program are taken care of and will go above and beyond for all needs. As we like to say, if you are there on the day of your program with your speaker, staff and slide-deck, we'll have the rest ready to go!

2. How does NPACE determine time slots and dates for product theaters?

NPACE operates on a first-come, first-served basis for scheduling product theater programs. Product theaters dates/times are confirmed once NPACE and the sponsor company have signed a letter of agreement.

3. How does food and beverage work for product theaters?

The NPACE team will take care of all food and beverage needs for product theater programs so your staff does not have to worry about setting that up or working with the venue on that part of the program. NPACE provides a beautiful buffet breakfast/lunch for all product theater attendees which attendees appreciate much more than the typical boxed lunch. Food & Beverage is not provided for virtual programs.

4. How does A/V work for product theaters?

NPACE works with a fantastic AV provider called CCR who travels with NPACE to our in-person events and manages the broadcast of virtual conferences. Product theater programs take place in the same room as NPACE sessions, so sponsors are able to “plug-in” to the existing AV set up NPACE has for in-person programs. NPACE has an event app where polling, Q&A and sharing of digital resources can easily be shared!

5. How does access for my staff/speakers work for product theaters?

NPACE welcomes as many sponsored program staff members and speakers as needed for product theaters. (This is YOUR program after all!). Once a LOA is signed, NPACE will send information specific to the conference venue to your team including badge registration, hotel room block, logistical needs and anything else you may need while onsite at the conference!

6. Can I have a staff member introduce the speaker and/or screen questions from the audience?

YES! NPACE is happy to moderate the entire program or have a sponsor moderator. Questions for the speaker can be screened by staff prior to being asked to ensure they are appropriate and on-label.

7. Is a deposit required? How does payment work?

Payment terms are outlined in the LOA for product theaters. A 50% deposit is typically due within 30-days of signing the LOA with the remaining 50% due at least 10-weeks in advance of the program date. NPACE is flexible and understands each company may have specific payment needs, please communicate any specific payment needs during the LOA process. If paying by credit card, a 3% processing fee will be charged for all credit card transactions over \$5,000.

NPACE CE PROGRAM INFORMATION

Contact Information for Contracting & Questions: Josh Plotkin, NPACE Chief Operating Officer, jplotkin@npace.org, 774-279-4607

CE PROGRAM FAQs

1. Why should my company choose NPACE for CE Programs?

NPACE prides itself on providing the most seamless CE program experience in the industry. With a hands-on approach and the goal of making the program as easy as possible on the sponsor, we ensure you work with the same team of people from the beginning of the process through the day of the program, and post-program. Our team will ensure all needs for your program are taken care of and will go above and beyond for all needs. As we like to say, if you are there on the day of your program with your speaker, staff and slide-deck, we'll have the rest ready to go!

2. How does NPACE determine time slots and dates for CE Programs?

NPACE operates on a first-come, first-serve basis for scheduling CE programs. CE program dates/times are confirmed once NPACE and the sponsor company have signed a letter of agreement.

3. How does food and beverage work for CE Programs?

The NPACE team will take care of all food and beverage needs for CE programs so your staff does not have to worry about setting that up or working with the venue on that part of the program. NPACE provides a beautiful buffet breakfast/lunch for all CE program attendees which attendees appreciate much more than the typical boxed lunch. Food & Beverage is not provided for virtual programs.

4. How does A/V work for CE Programs?

NPACE works with a fantastic AV provider called CCR who travels with NPACE to our in-person events and manages the broadcast of virtual conferences. CE programs take place in the same room as NPACE sessions, so sponsors are able to "plug in" to the existing AV set up NPACE has for in-person programs. NPACE has an event app where polling, Q&A and sharing of digital resources can easily be shared!

5. How does access for my staff/speakers work for CE Programs?

NPACE welcomes as many sponsored program staff members and speakers as needed for CE programs. (This is YOUR program after all!). Once a LOA is signed, NPACE will send information specific to the conference venue to your team including badge registration, hotel room block, logistical needs and anything else you may need while onsite at the conference!

6. Can I have a staff member introduce the speaker and/or screen questions from the audience?

YES! NPACE is happy to moderate the entire program or have a sponsor moderator. Questions for the speaker can be screened by staff prior to being asked to ensure they are appropriate and on-label.

7. Is a deposit required? How does payment work?

Payment terms are outlined in the LOA for CE programs. A 50% deposit is typically due within 30-days of signing the LOA with the remaining 50% due at least 10-weeks in advance of the program date. NPACE is flexible and understands each company may have specific payment needs, please communicate any specific payment needs during the LOA process. If paying by credit card, a 3% processing fee will be charged for all credit card transactions over \$5,000.

8. Can I have my program recorded and made available for on-demand access?

Yes, NPACE can record your program and make it available to the conference audience for enduring access! NPACE can also host the program on our learning center as an enduring program to attract an additional audience to the program and can also include advertising/promotion if desired.

9. Can my company include NPACE conferences/opportunities in our grant proposal?

Yes, NPACE is happy to provide any information needed to a medical education company to be included in your grant proposal.

FRIENDS OF NPACE PODCAST

PODCAST INFORMATION

The Friends of NPACE Podcast allows for conversations with NPACE speakers, partners, and friends that discuss the intersection of healthcare, Nurse Practitioners, Physician Associates, and patients.

With 100+ episodes and 15K downloads since the launch of the Friends of NPACE Podcast in 2024, episodes have focused on topics such as:

- APP career journey
- APP self-care and wellness
- Obesity management
- Patient resources and information
- Mental health

The podcast is hosted by **NPACE Executive Director, Terri Schmitt, PhD, APRN, FNP-BC**, and **NPACE Chief Operating Officer, Josh Plotkin** where both an Advanced Practice Provider and patient point of view is conveyed in each episode.

PODCAST REACH & MARKETING

The Friends of NPACE Podcast is marketed to over 100K APPs across NPACE multi-media channels and is distributed on the platforms below. The Friends of NPACE podcast has over 6,000 downloads and averages 200-300 downloads per episode.

YouTube

FRIENDS OF NPACE PODCAST

CE/CME FOR ADVANCED PRACTICE PROVIDERS

Corporate Advisory Council

Where Industry Leaders and APP Education Align

WHAT IS THE CAC?

The NPACE Corporate Advisory Council (CAC) brings together innovative healthcare organizations and industry leaders to shape the future of Advanced Practice Provider education. The NPACE CAC is a strategic collaboration designed to advance primary care and pharmacology education nationwide.

MEMBERSHIP TIERS & ANNUAL INVESTMENT

Transformative Health

Allies – \$40,000

NPACE Champions –

\$25,000

Core Collaborators –

\$10,000

JOIN THE COUNCIL

OUR PURPOSE

The CAC exists to create strong, mutually beneficial relationships that drive:

- **Strategic Collaboration:** Partnerships with companies influencing primary care and pharmacology practice.
- **Educational Advancement:** Co-creation of high-impact resources such as podcasts, needs assessments, and insight reports.
- **Visibility and Networking:** Exclusive access to NPACE's expansive audience and events, both live and virtual.
- **Revenue Diversification:** A sustainable partnership model through tiered annual memberships.
- **Data and Insight Exchange:** Two-way sharing of network insights and market information to better serve APPs.

WHY CHOOSE NPACE?

- **Unmatched Reach:** NPACE connects with 120K+ NPs and PAs across email, conferences, social, and learning channels, plus 410K annual site visitors.
- **Highly Targeted Content:** Focused on primary care and pharmacology, NPACE delivers education by APPs, for APPs.
- **True Partnership:** The CAC offers collaboration beyond brand placement, with partners helping shape priorities, needs assessments, and content strategy.
- **Year-Round Engagement:** Your brand stays integrated across conferences, podcasts, newsletters, campaigns, and social channels.
- **Strategic Influence:** Members have a seat at the table, influencing the future of APP practice, education, and innovation.
