NPACE
SAN DIEGO
August 26-29, 2023
Marriot Marquis San Diego
Pharmacology Conference
Welcome!

NPACE is pleased to invite you to our NPACE San Diego Conference, taking place August 26 - 29 at the Marriott Marquis San Diego!

NPACE is a national nonprofit organization that provides quality, evidence-based educational programs to nurse practitioners and other advanced practice clinicians. Our educational approach supports the advancement of the nurse practitioner role and promotes excellence in patient care.

NPACE is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

The NPACE San Diego Conference will provide relevant, evidence-based, and stimulating continuing education. Attendees can earn up to 20-24 CE credits, provided by NPACE and NPACE partners. Attendees will also have the opportunity to network with their colleagues, exhibitors, and sponsors at the event.

Take advantage of the opportunity to tackle emerging acute care, primary care, and pharmacology topics in an enriching learning environment, while also revitalizing yourself basking in the sun at NPACE San Diego 2023!

Speakers

Josh Hamilton
DNP, RN-BC, FNP-C, PMHNP-BC, CNE, FAANP
Dr. Josh Hamilton lives in the desert southwest, where he operates a thriving private clinical practice. With nearly a quarter-century of nursing experience, he also holds professorial appointments, leadership positions and consults extensively in the higher education space. Previously, he was Associate Medical Director for the largest managed care behavioral health network in the Desert Southwest. He served on the Nevada Board of Nursing’s Advanced Practice and Educational Advisory Committees and spearheaded the Donate Life campaign at the state level. His professional interests include neurobiology, pharmacology and epigenetics.

Christine Kessler
MN, ANP, CNS, BC-ADM, CDTC, FAANP
Christine Kessler is an award-winning nurse practitioner, national and international speaker, prolific author, editor, and clinical consultant specializing in Endocrinology and Metabolic Medicine. During her 45 years of nursing she has held diverse roles in management, research, academia, and clinical practice; the latter as a critical care clinical specialist, acute care nurse practitioner (ICU intensivist), and adult nurse practitioner. Christine now focuses on providing diabetes and weight loss management, as well as general endocrine services to an underserved population in rural Virginia.

Theresa Mallick-Searle
MS, RN-BC, ANP-BC
Theresa is an Adult Nurse Practitioner with over 25 years’ experience at Stanford Health Care in Palo Alto, California. She received her graduate degree from University of California, San Francisco. Theresa’s current clinical practice within the Division of Pain Medicine, focuses primarily on evaluation and treatment of individuals suffering from acute and chronic pain conditions in both the hospital and outpatient settings. As part of her commitment to education and professional development, she lectures extensively on topics surrounding pain management both locally and regionally.

Eden Miller
DO, Diplomate ABOM
Dr. Eden Miller was born and raised in Salem, Oregon. She went to Seattle Pacific University on a track scholarship, where she was four time All-American in track. She was a member of the GTE Academic All-American 3rd team in 1993, and was a NCAA post-graduate scholarship recipient. Dr. Miller graduated from Kirksville College of Osteopathic Medicine in Missouri in 1997. In 2001, she completed her residency at Eastmoreland Hospital in Portland, Oregon where she became board member of Osteopathic Physician and Surgeon Board of Oregon.
Ryan Kennedy  
DNP, NP-C  
Ryan J. Kennedy, DNP, FNP-C is Associate Director of the Brown Clinic for Attention & Related Disorders - a clinic which specializes in assessment and treatment of ADHD for children and adults. Dr. Kennedy received his Doctorate in Nursing Practice from Quinnipiac University. In 2011, he began his career working in private practice with Dr. Thomas E. Brown, who was the Associate Clinical Professor of Psychology/Psychiatry at Yale School of Medicine and Director of the Brown Clinic when it was located in Hamden, Connecticut. In 2017, Drs. Kennedy and Brown opened their new relocated clinic in Manhattan Beach, California. Dr. Kennedy regularly participates in scientific research studies and has presented in 12 countries at national and international conferences and universities for lectures and workshops to educate professionals on the latest developments for ADHD and Related Disorders.

Sally Miller  
PhD, APRN, FNP-BC, AGACNP-BC, AGPCNP-BC, FAANP  
Dr. Sally Miller has been practicing as a nurse practitioner for 29 years. She is board certified as a family NP, Adult/Geriatric Acute and Primary NP, and Psych/Mental Health NP. Dr. Miller is a clinical professor at Drexel University College of Nursing and Health Professions. She maintains an active clinical practice with iCarePsychiatry. Sally has published over 30 research and clinical articles with emphasis on issues related to adult health and illness as well as obesity. She has been an active conference presenter and author in the NP community since 1996.

Bernie Murphy  
Yoga/Fitness Instructor  
I am fueled by my passion to inspire and enlighten all that cross my path, based on sharing what I have learned and discovered in my journey and experiences. I find balance within myself (on most days...insert humor) through variations of exercise, Reiki, meditation, and my most favorite yoga! As a Reiki Master Practitioner & Teacher as well as a certified YTT 200 Yoga instructor, I am humbled to share this ride called life with you! I look forward to supporting you in your wellness journey ~namaste~
